## Material

---

### Kånken

Classic Kånken backpack with zipper that opens the entire main compartment. Very hardwearing vinylon fabric. Inside pocket with seat pad. Simple shoulder straps and handles on top. Reflector in the logo.

### Kånken no.2

Kånken backpack in durable G-1000 HeavyDuty with handles and details in leather. Large main pocket, front pocket and padded sitting pad.

### Re-Kånken

Made from one single yarn of recycled plastic bottles. Spin dyed to use less water, energy and chemicals. Ready to be used, travelled and loved. And in the distant future recycled again.
